(مکالمه اول صفحه ۶۲ کتاب)

Zohreh: This weekend is my birthday. I have invited everyone but Mina.

Maryam: Why not? If I were you, I would certainly invite her. As far as I know, you were close friends at school.

Zohreh: Yes, but she has moved to another neighborhood. If I had her address, I would invite her.

Maryam: What a pity! If I knew that sooner, I could help you.

Zohreh: How?

Maryam: I could check it with my sister. She is her mother's friend.

Zohreh: Can you call her now?

Maryam: Unfortunately, she is not available till next Wednesday. Sorry.

A: So, tell me about your family, Michelle.

B: OK. Well, there are five people in my family. My mom is 42, and she has a small export business.

A: That's interesting. What does she export?

B: She exports furniture.

A: I see.

B: And I have one sister, Sue John. She is younger than me. She is 15. She is very good at music and plays the piano and the violin.

A: How nice! And what about your dad? What is he do?

B: He is a dentist. He is 44, and he studied in Canada.

A: Really? And do you have any brothers?

B: I have one older brother and one younger one. My older brother is 20, and my younger brother is 11. They're both crazy about soccer.

A: And what about you? Are you, too?

B: NO, not really.
